BT8332

UNIVERSAL CEILING MOUNTED MENU BOARD MOUNTING SYSTEM

The BT8332 is a modular ceiling mounting system for menu board installations of any size. The BT8332 can mount screens in landscape or portrait orientations with the option for tilt adjustment up to +20° for enhanced overhead visibility, perfect for fast food restaurants. As part of the System X range, the BT8332 can be used in thousands of different configurations and must be ordered according to your requirements using B-Tech's online configuration tool *(see below, right)*.

SPECIFICATION

Recommended screen size	32" - 75"
Max load	50kg per screen
Tilt range (tilt arms only)	+20°
VESA® & non-VESA fixings	up to 900mm*
Pole lengths	0.5m up to 3m (can be cut or joined)
Colour options (poles & ceiling mounts)	Black, White or Chrome
Colour options (rails)	Silver or Black

Refers to maximum vertical fixing dimension for a typical configuration. Correctly sized interface arms and adaptors will be supplied as necessary to suit the mounting pattern you require.

FEATURES

B TECH
B-TECH AV MOUNTS

BT8332 configurations are made to your exact requirements and, as a result, utilise a varying combination of System X components in order to create the perfect solution. Below are technical drawings for the standard components used in every BT8332 configuration: **BT7822** Ceiling Mount, **BT8390-CFK** Collar Fixing Kit, **BT7850** Ø50mm Poles and **BT8390** Mounting Rails *(available in the lengths shown)*. Please visit our System X online configuration tool at **www.btechavmounts.com/systemx-configurator** to specify your requirements. All dimensions will be automatically calculated and a complete mounting solution with all required parts will be created for you.
